Personal

Hello! I am a 23-year-old designer from Milan, Italy. I mainly focus on storytelling and illustration, but I'm also keen on photography and animation. I always like to follow my intuition and experiment with new concepts.

Skills

- × Creative, meticulous and fast learner. Good interpersonal skills, in teamworks I often manage and coordinate the project tasks. I'm constantly willing to undertake new challenges and to come up with innovative solutions by mixing my educational backgrounds.
